REPORT OF THE DEPUTY MINISTER

HON. GEORGE E. FOSTER, B.A., D.C.L., LL.D., M.P.,
Minister of Trade and Commerce,
Ottawa.

SIR,—I have the honour to submit herewith the Nineteenth Annual Report of the Department of Trade and Commerce, being the report for the fiscal year ended March 31, 1911.

In the last annual report which I had the honour to present, I ventured to make the prediction that the total trade of Canada for the fiscal year 1910-11 would far surpass that of any previous year. That opinion has been more than borne out by subsequent returns, the aggregate trade of Canada for that period amounting to \$769,443,905, an increase over the previous year of \$76,232,684. The very favourable records still presented each month indicate that even these figures will be exceeded during the current fiscal year. In confirmation of this opinion I submit statements of the trade for the eight months ended November, 1911, compared with the trade for like periods in former years.

I have much pleasure in attaching hereto five statements which show in concise form—

- (a) Imports into Canada from Principal Countries, 1901 and 1911, with increases and percentages of increase during decade ; also proportion of total 1901 and 1911.
- (b) Exports from Canada to Principal Countries, 1901 and 1911, with increases and percentages of increase during decade ; also proportion of total 1901 and 1911.
- (c) Principal Articles Imported into Canada, 1901 and 1911, with increases and percentages of increase during decade.
- (d) Principal Articles Exported from Canada, 1901 and 1911, with increases and decreases and percentages of increase or decrease during decade.
- (e) Trade of Principal Countries, 1900 and 1910, with percentages of increase during decade.

I have the honour to be, Sir,

Your obedient servant,

(Sgd.) F. C. T. OHARA,
Deputy Minister.
